

Tour Private Lands

On the short grass prairies of Eastern Colorado the Mountain Plover arrives to nest in early April. Come and enjoy the Mountain Plover Festival and the hospitality of the Karval community.

Tours occur on the private land of local farmers and ranchers. This land is not normally accessible to visitors but for this one weekend they throw open the gates and invite you in to their workplace. The Plover is the focus of the tour but guides help attendees find other wildlife and birds that might be on their life list.
